Health
Statistics

What Is the Youth Risk Behavior Survey?

- The YRBS is an 87 item multiple-choice questionnaire which was developed by the Centers for Disease Control and Prevention to measure behaviors that put health at risk.

In Polk County...

- Survey was administered in the Spring 2001 semester.
- A total of **745** students in 9th through 12th grade completed valid surveys for a response rate of approximately 72%.
- The survey was representative of the 9th –12th grade school population.
